Dear

Thank you for your interest in the Pathways of Spirituality program. At the Spiritual Life Center we are very excited about gathering a new group of participants to journey together in Pathways, and I'm hopeful that the information in this packet will help answer questions you may have.

Included in this mailing are the application (please note that there are two sides), a bio page, a brochure about Pathways, and my card with my contact information. If you have questions or need further information or clarification, please let me know.

We will be receiving applications until August 1, 2008. We will be in touch with applicants as materials are received to begin scheduling interviews.

I look forward to hearing from you. May Spirit guide you on your pathway.

Peace,

Rev. Rose Petronella
