

Pathways of Spirituality

Pathways of Spirituality is a program for men and women seeking to broaden and deepen their experience of spirituality by exposure to practices and disciplines of various spiritual traditions. The program is experiential in nature and emphasizes the importance of building community in an atmosphere of diversity in order to strengthen the experience of spiritual growth. It is supplemented by a Pathways website which provides links to additional resources and information.

Called to Community: Unit 3

Topics Include

- * All in the Family
- * Body, Mind, Spirit in Society
- * Blessings and Challenges of a Spiritual Community
- * Ritual and Community
- * Suffering, Death and Grief in Community
- * Project: Your Ideal Spiritual Community

Application

Those seeking admission to the Pathways program are asked to complete an application which will be found at spiritlifectr.org or by calling the Spiritual Life Center. There are rolling admissions until limited slots are filled. The next review of applications is August 15, 2011. Personal interviews with Pathways staff will take place after materials are received. Please apply early to ensure a place in the program

Cost

The cost of the program is \$375 per unit. In addition, there is a \$25 non-refundable application fee.

Limited scholarship funds for this program are available. Please call the Spiritual Life Center for further information.
