

Fall In-Service: Spiritual Direction in an Evolving Universe

Spiritual Direction in an Evolving Universe - Contemporary scientific discoveries about the origins and nature of the universe invite us to expand our notions of who God is and challenge us to re-imagine the relationship of the human and the natural world. This workshop will invite participants to explore their own experiences of Earth as an icon of the Holy and the role that spiritual direction can play in promoting a sustainable future for all of Earth's inhabitants.
